# Gamini Chadha

Graphic designer

## WORK EXPERIENCE

Currently working as

### Freelance graphic designer

- Worked directly with clients to conceptualize, design, and deliver customized visual solutions for their specific needs.
- Created visually compelling logos, branding materials, and marketing collateral to establish or enhance client's brand identities.
- Maintained strong client relationships and received positive feedback for the quality and creativity of social media graphic designs

Graphic Designer

### Beacon Light Publications Pvt. Ltd.

- Developed innovative and engaging cover designs that captured the essence of each publication and attracted readers.
- Incorporated text, images, and graphics to create visually engaging pages that enhanced the overall reading experience.
- Assisted in photo selection and retouching, ensuring high-quality images that complemented the layout design.

Graphic Designer

### 5D Marketing

- Developed creative concepts and designs for social media campaigns, ensuring they effectively communicated key messages and engaged target audiences.
- Optimized designs for different social media platforms, considering size restrictions and best practices for maximum visibility and impact

Graphic Design Intern

### SRV IT Solutions

- Worked closely with marketing and social media teams to understand campaign objectives and translate them into creative design solutions.
- Created visually captivating and engaging graphics for social media platforms, including Facebook, Instagram, Twitter, and LinkedIn.

Graphic Design Intern

### The Brand Pandit

- Collaborated with the social media team to brainstorm and execute creative concepts for social media campaigns, ensuring alignment with brand guidelines and campaign objectives.
- Conducted research on industry trends and competitors' social media presence to contribute fresh design ideas and stay up-to-date with best practices.
